PROFILE

French Digital Strategist and project manager graduated as Valedictorian from Digital Campus. 25 years old, digital native, 3.0 brain and it's with the motto « **Do not think outside the box, throw away the box** » that I evolve.

Passionate about the web, my skills in marketing, graphic design, web development, video allow me to adapt to all kind of mission.

« **Design the unexpected. Create the unforgettable!** » beat my thinking. Beyond those words, that's how my thought was structured. Breaking the rules, innovate, strive for perfection determine my profile.
